

Firearms
Persons possessing, transporting or carrying firearms on national wildlife refuges must comply

Dog training is prohibited except during respective game hunting seasons. Dogs can be used to hunt birds, bear, raccoon, rabbit and hare. Hunting birds with pointing and/or retrieving dogs will be permitted, but no more than 2 dogs per hunter will be allowed in the field. No more than 6 dogs per hunting party are permitted for bear. No more than 4 dogs per hunting party are permitted for rabbit, hare and raccoon. Extra dogs remaining in a hunter's vehicle will not count as dogs in the field. A special use permit is required for raccoon hunting at night. When hunting with dogs, hunters must account for all dogs at the conclusion of the hunt. All dogs are required to wear a collar displaying the owner's name, address and telephone number. When hunting bear, releasing and picking up dogs on Cortland Road and Beall Lane is prohibited.

reservations for the hunt blind may be limited.

about disabled access. Due to increased demand, ext. 3018, to request additional information contact the refuge headquarters at 304/866 3858 throughout the hunting season (see map.) Please are available for use on the refuge by reservation in refuge hunts. Two accessible hunting blinds Disabled hunters are encouraged to participate

Disabled Access
When deer firearms season is open, must be worn by all hunters, except waterfowl, A minimum of 400 square inches of blaze orange

Blaze Orange Requirements

Baiting
Baiting or hunting over bait is prohibited on the refuge.

Wild Turkey
Spring and fall wild turkey hunting is permitted be permitted by special use permit in designated

Parking/Roads
Vehicles must park in designated parking areas or alongside open refuge roads in a manner that will not interfere with the normal flow of traffic.

Tree Stands/Blinds
The construction or use of permanent structures is prohibited on refuge lands. Only temporary tree stands or blinds may be used. All tree stands must have the name and address of the owner clearly printed on the stand.

Research Natural Area
The Research Natural Area (RNA) was established to preserve the natural features and processes of the area for research and education purposes. Only deer hunting will be allowed in the RNA.

Non-Toxic Shot
Hunters must use and possess non-toxic shot while hunting waterfowl on the refuge.

with all provisions of state and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32).

in the rifle zone area. The use of rifles during the turkey season is prohibited.

Weapons legally possessed for hunting are the same as those prescribed by the West Virginia Division of Natural Resources. Pistols may only be used in the rifle zone area. The use of rifles during the

Refuge roads may be seasonally closed due to adverse weather conditions or management needs. Vehicles must remain on established roads as indicated on the map of this brochure.

Camping and Fires
Camping and fires are prohibited.

Alcoholic Beverages
The possession or use of alcoholic beverages while hunting is prohibited.

Littering
Littering is prohibited. Leave no trace!

Refuge Cultural Resources
Disturbing, injuring, destroying, collecting, or attempting to collect any Articles of Antiquity or historical value, plants, animals, or parts thereof is strictly prohibited.

Trail Marking
Marking any tree or other refuge feature with flagging, paint or other substance for the purposes of marking a trail is prohibited.

Accidents and Violations
In case of an emergency, dial 911. All accidents and injuries occurring on the refuge must be reported immediately at the refuge headquarters.

Phone: 304/866 3858. Please report violations to the Federal Wildlife Officer at 304/815 3000.

REMEMBER! A refuge permit authorizes you to take specified game species only. Harming or needlessly disturbing any wildlife including birds, mammals, turtles, frogs, lizards and snakes

to the refuge by calling the Federal Wildlife Officer at 304/815 3000.

Harvest Report
Your information about your refuge hunting experience helps refuge staff plan for future hunts based on hunter harvest, users and comments received. This information is obtained from the State of West Virginia Electronic Game Checking System. You must report your harvest in this system at www.wvhunt.com or by phone at 1-844-824-3251 (1844-UCheck1). Be sure to indicate the game was taken on *Public land-National Wildlife Refuge*.

Refuge Hunt Seasons
For information on hunting seasons, please consult the “July 2016–June 2017 West Virginia Hunting and Trapping Regulations Summary from the West Virginia Division of Natural Resources” available in print or on-line at http://www.wvdnr.gov/hunting/hunting_regs.shtm.

WARNING: There is an active gas pipeline on refuge property. Do not shoot gas markers or near gas line. See legend.

Signs Protect Visitors and Resources

Refuge Boundary
Entry is in accordance with refuge regulations.

Public Hunting Area
The area behind this sign is open for hunting in accordance with state and refuge regulations.

Area Closed
Areas on the refuge are closed to provide resource protection, special management activities, or for safety reasons. (See map for specific closures). In these areas roads and trails are not open to the public. No fishing, hunting or other recreational uses are permitted.

No Vehicles
This area is closed to all motorized vehicles and bicycles.

No Rifle Zone
This sign delineates portions of the refuge that are closed to hunting with a rifle or pistol. Hunting with a shotgun, muzzle-loader or bow is permitted.

Safety Zone
This sign marks the safety zone boundary. Shooting behind the safety zone boundary is prohibited to protect nearby residences. Established safety zones follow state regulations whether signs are in place or not.
